The Honorable Darrell E. Issa  
Chairman, Subcommittee on Courts, Intellectual Property, and the Internet  
House of Representatives  
Washington, DC

Dear Chairman Issa,

Thank you for allowing me the privilege to testify before your committee last week on whether to restructure the Ninth Circuit. After my testimony, I learned that something I said in the hearing was incorrect, and I would like to correct the record. One of the scholars I referenced in my testimony was Dr. Kevin Scott. I said in the hearing that he now works for the Administrative Office of the Courts. That is incorrect. He has since moved on from the Administrative Office and now works for the Department of Justice. My apologies for the mistake.

I also want to make clear, if I did not during the hearing, that Dr. Scott did not author his Ninth Circuit study during his tenure with the federal government. He authored it before joining the government.

Thank you,

Brian Fitzpatrick
